Meet The Author Events in June

I'll be appearing at two Ottawa area Chapters-Indigo bookstores for book signings in June. Grab a coffee at the Starbucks inside the store (black and no sugar for me, or a soy cappuccino...just in case you need to know!) get your book signed or come just to say hello while you brows the books. I would love to see you and to get a chance to thank you for your kind support and well wishes and to also answer any questions you may have. What a wonderful way to spend an hour or two...surrounded by wall to wall books! Bring a friend too!

Amethyst Mala Beads

One of my favourite crystal stone is amethyst. Among other healing properties, it is said to have remarkable energy to help one attain deep states of meditation where profound spiritual insights arise. I use various mala beads in my meditation practice but when I want to go really deep, I take out my amethyst mala beads that I personally had designed (see photo). For those interested, they are available for purchase through my website store page. <http://www.lmblanchard.com/#!store-cart/c21ho>
